REGION: IGP Pays D'Oc
SOIL: Clay and limestone
soil with schist pebbles

- Alcohol content: 14%
- Brix at harvest: 25.2°
- pH: 3.7
- Acidity: 5.7

Blue Billed Duck takes its name from a beautiful duck with a blue bill, also known as Ruddy duck. Native to North America, these ducks can be found in some European countries like France, where this wine is produced.

Background:

The Pays D'Oc Region is one of the central pillars of French wine production and exports. The area has a Mediterranean climate with hot, dry summers and mild winters, with most rainfall compressed into spring and autumn, also it's subjected to the influences of the Atlantic climate to the West and of the continent to the East.

Terra Firma Winery is dedicated to introducing the world to hidden gems. We choose the best grapes characterized by the personality their authentic terroir gives them and which makes them so unique and special.

Tasting notes:

Deep and colorful purple hues. Intense red fruits aromas with notes of spices on the nose. Elegant and fresh on the palate. The fruits and spices give this wine a nice balance and harmony.

Grape variety

Red blend.

Vinification

Unoaked.

The grapes are hand-picked, and then fermented in small tanks which we pumped over several times a day.
