The owl is the symbol for Teso. According to the Greek mythology, these animals represent magic and wisdom. Their nocturnal character, represented in the label's black background, also symbolizes mystery and magic. Similarly, this wine offers you a magical and fascinating experience.

Background:

Terra Firma Winery is dedicated to introducing the world to hidden gems. We choose the best grapes characterized by the personality of their authentic terroir.

This Designation of Origin is located in the town of Yecla, in southeastern Spain. Yecla's wines are represented by the Monastrell, an indigenous varietal that produces complex wines where harmony, good fruit concentration and aromatic intensity predominate. Yecla and its countryside are also a great terroir for organic farming; our wines from Yecla are certified free of any chemical whatsoever.

Tasting notes:

It has very rich and meaty aromas followed by chocolate and mocha overtones and hints of tarragon and dried herbs. It has a good balance and the tannin, while hefty, is well integrated with the rest of the wine's components..
