Pomelado

ABOUT POMELADO NATURAL AMBER WINE

Pomelado is a natural amber wine, made from a blend of organic white grapes. One of the key features of Pomelado is its production method. This wine undergoes skin contact fermentation, a process where the grape skins are left in contact with the juice for an extended period of time. This results in a wine that is rich and complex, with a depth of flavor and aroma that is unmatched by traditional white wines.

In addition to its unique production method, Pomelado is also unfiltered and has no added sulfites. This makes it a low intervention wine that is vegan-friendly and free from artificial additives.

TASTING NOTES

It's robust and bold. It has aromas of tropical fruit, bruised apple, brazil nut and dried orange rind. This amber wine is at the crossroads of a red wine for its tannins and a white wine for its good acidity.

SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

MADE WITH ORGANIC GRAPES

Organically Farmed. Organic vines planted in 2005. No chemical pesticides or herbicides used. No GMO Yeast Used. Less than 100ppm Sulfites.
